

137—Candler Field, Atlanta's Municipal Airport showing New Control Tower

1948 AIR POST

CANDLER FIELD, ATLANTA, GA.

Twenty-eight passenger and mail planes arrive and depart daily from Candler Field, Atlanta's municipal airport, which is the terminal of 5 trunk air lines radiating in all directions. Here are great shops, hangars, radio beacons, the Weather Bureau and all the equipment that goes to make a great modern airport.

POST CARD

Hello, you all.

It's really warm down here, people going around in shirtsleeves even in the restaurants.

Bye now, you hear me?

Love, Daddy.
